

## **SOUTHREN BELLE**

A classic light chocolate southern United States favorite made with our signature recipe. Topped with our signature whipped cream cheese topping makes our namesake a to-die-for “must” for any first time guest.

## **DEVIL’S FOOD**

A rich chocolate butter milk cake topped with a Valrhona bittersweet chocolate ganache and garnished with 24k gold leaf! A favorite among chocolate lovers

## **VANILLA BEAN**

Moist and sweet, this blonde cake is made by vanilla beans from the islands of Madagascar. The cake is topped with sweet and creamy American butter cream...an American classic

## **BLACK VELVET**

**(VEGAN/GLUTEN-FREE)**

This light, moist chocolate cake uses the best Valrhona cocoa powder complemented by a chocolate “buttercream” to make a vegan, gluten-free cupcake truly like no other.

## **CARROT CAKE**

A spiced cake infused with cinnamon and nutmeg combined with shredded carrot and whole pecans topped with renowned whipped cream cheese topping.

## **COOKIES’N CREAM**

Cookies’s n cream pieces blended into our chocolate buttermilk cake, topped with a creamy American buttercream , and garnished with...more cookies!

## **SUMMERTIME**

A light and refreshing favorite for a hot day! Zested lemon gives this cake an extra kick and marries with our signature whipped cream cheese topping, garnished with shredded coconut!

## **PEANUT BUTTER CUP**

Chocolate chips blended into this chocolate buttermilk cake makes for a decent base for our creamy, not-too-sweet, not-too-salty peanut butter topping

## **B-DAY**

An almond infused blond cake topped with our famous Valrhona milk chocolate ganache and garnished with confetti birthday sprinkles!

## **HAZELNUT CAFE**

Not sure which cupcake to pair with your coffee? we recommend this rich hazelnut cake topped with espresso buttercream and garnished with a dash of espresso.

A true wake up call for coffee lovers!

## **FEATURED FLAVOR**

This selection is comprised of decadent flavors to please the palette. We're confident that you will not find out original creation n any other menu around!
